San Francisco State University Student Openly Supports Terrorists...

Can anyone identify this repugnant individual?

YAY

WE'VE EVEN MADE THE ISRAELLYCOOL WEBSITE

They're sitting here identifying a person who doesn't even GO to SFSU

Condemning us as "hate-filled apes" and "hateful savages"

Like I said, this has the potential to get larger

But at the same time, the fact that they are so upset, so frightened about our activities, only shows that we're on the right track and that we have them on edge.

[trapkillaa](#) asked: hey I saw your post about people with incorrect arabic tattoos and was wondering if you could tell me what "be at peace, not in pieces" would be?

أنا أحب الطعام الصيني، لكن ريحتي تقتل

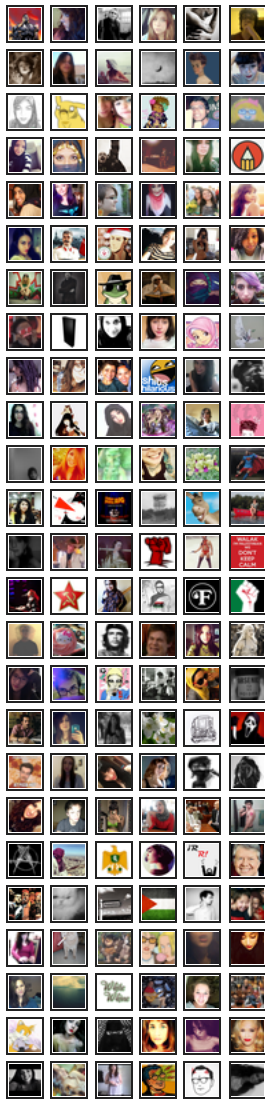

I actually kinda like that tattoo idea!

[ssooji](#) asked: dude you can hate israel all you want because of the whole genocide apartheid and so on shit, and i agree with that, but supporting the murder of innocent people is never going to be right, no matter your reasons. there is no such thing as "they're alive and it's a sin" they never asked to be born where they were born. they ARE people just like you and negating them that is just a pathetic excuse to justify terrorism. seriously you disgust me.

Uh oh, some unimportant shitstain is sitting here trying to define to me what is and isn't terrorism!! I've disgusted a maggot in a trash heap oh no!!!

Nice twitter page btw. Why don't you go jack off to a pair of fake breasts and leave the serious stuff to those who have brains that operate on beyond a 5th grade puberty-stunted level.

Anonymous asked: I'm Jewish, i live in Israel, lets ignore the fact that you hate me because of my religion and nation, only for one minute. i have muslims friends here, i thing they're amazing people, i think we are all just people, that get hurt sometimes, that have a family, we are all the same. my question is: why are you support terror organization like Hamas? i do believe that you guys should have a country, but the way your people try to get it is so wrong, Hamas killed innocent children just to let you kn

I don't give two shits about your religion you idiot

I hate you because you live in and support a nation that continues to benefit off of the persecution and ethnic cleansing of my people. Congratulations on your Muslim friends btw. I have Jewish friends who also hate Israel. Uh oh!!!!

And no, we're not all people

WE are people

You're an imperialistic shitstain living on the stolen land of my people and attempting to portray ME as the evil in the situation. I couldn't give two shits what you believe, if you "believe" we should have a country, or how you think we should go about it.

When you're defending a nation that was literally founded on the massacre and ethnic cleansing of the entire indigenous population [ahem, Palestinians], that CONTINUES to benefit and thrive off of the subjugation of my people, what makes you think for a fucking SECOND that you have the right to tell ME, or ANY other Palestinian "how" we should go about setting up our own country?

It was taken from us through blood and violence

And if it takes blood and violence for us to reclaim it, so be it.

Anonymous asked: The truth is that if the Arabs were to put down their arms there would be no more war. If Israel were to put down its arms there would be no more Israel.

Aside from the fact that this is one of the most bullshit quotes on the planet, you say this as if the destruction of Israel is in ANY way a bad thing?

But hey, you're right

Because you know, handing over our arms to the Brits back in the 40's CERTAINLY had beneficial effects for us :))))

But you know, the Israeli scum play no part at all in what's going on nope nope it's all on the indigenous population fighting to reclaim what was stolen from them who are to blame

Anonymous asked: The fact that you have a "why you should hate Israel" page on your blog just shows that Israel isn't the problem, people like you are. You're trying to brainwash others into hating a nation I cannot get over how disgusting that is.

Yes yes, you're right

The fact that Israel was founded on the ethnic cleansing and genocide of my people, established on the ruins of hundreds of Palestinian cities and villages, run by an ethno-supremacist government and continues to steal land by practically the minute while forcing more and more people into homelessness and poverty has NOTHING to do with it

Those of us who are angry with the atrocities are the ones responsible for it.

The products of the colonization are the ones responsible for their colonization in the first place.

Makes perfect sense.

Anonymous asked: Eveb Lebanon shits on you worthless monkeys. You have no home, but continue with your irrelevant bitching.

That's funny considering the only one here carrying out any "irrelevant bitching" is this anon who is too much of a coward to stand behind these ~oh-so-tough~ words they're dishing out

It's cute that you think this is going to have any effect other than make me laugh at the pitiful fucks who support Israel anymore than I already do.

Nice try, though. A+ for cuteness and effort :)
